MEETING MINUTES OF A REGULAR MEETING
OF THE BOARD OF ONEIDA COUNTY COMMISSIONERS

The meeting was opened by Commissioner Tubbs.

Commissioner Daniels shared information from the four county commissioners meeting and the economic development meeting held in Preston on the 27th, of March. John Tubbs participated in the discussion, as the local economic development board chairman. Concerns were expressed regarding the possible duplication of efforts by the two economic groups.

Commissioner Tubbs made the motion to amend the agenda to reference that Board of Commissioners will conduct a site visit to North Canyon to inspect the damage from recent run off and to discuss a request by the BLM to hire the county to perform road maintenance on some public roads.

Commissioner Daniels seconded and the motion carried.

Landfill: CES will test the monitoring wells on the 24th, of the month. Paper work will be submitted for DEQ approval to allow the use of the spray cover throughout the week with soil cover being used at the end of the week. This update will require a 30 day comment period by the public before it can be initiated.

R&B: The gravel pit in St. John needs to be closed per the agreed upon reclamation plan. Other gravel sources throughout the County were discussed. The problem of farmers encroaching on the county road right of ways when working their fields and causing damage to the roads while transporting their equipment from one location to another continues to be a problem. Western States will be correcting some issues on the new equipment recently leased/purchased.

Weeds: Commissioners are looking for someone to spray weeds part time while Garret leaves for Guard duty in April/May and again in July.

Commissioner Tubbs presented and discussed maps provided by the BLM showing roads that they would like to hire the County to work on. The maps were given to the R&B secretary. A review of the current road plan was discussed and updated as well.

Emergency Services: Dan Williams reported that the radio equipment had been moved to the Fire station. They will be conducting a communications exercise in the near future.

Forest Service: Jeff Hammes, Clint Bastian, and Greg Birch discussed ways to prepare and be prepared for the coming fire season.

Planning and Zoning: Variance requests were discussed. The Miller request was recommended for denial by the P&Z board with a vote of four against and one in favor, with stipulations.

Commissioner Daniels made the motion to support the Planning and Zoning decision to deny the miller request.

Commissioner Tubbs seconded and the motion carried.

Terrel Jones requested that the gravel road in Dairy Creek be included on the list of roads to receive maintenance this year. Commissioner Tubbs indicated that the road in question was on the list of those to be fixed as conditions and work progress in that part of the County.

Commissioner Daniels made the motion to approve the claims as submitted.

Commissioner Tubbs seconded and the motion carried.

Commissioner Daniels made the motion to approve resolution #2014-04-01 adopting a Policy prohibiting the use of excessive force against nonviolent civil rights demonstrators as required by the SEICOG grant.

Commissioner Tubbs seconded and the motion carried.

Senior Citizens Center building, co-owned by the City and County, is in need of a new roof. This project will be put on hold pending prospects of receiving grant money. It was noted that the city offered to be the sponsor of the Grant if one is awarded.

Commissioner Tubbs made the motion to move into executive session for medical indigent matters.

Commissioner Daniels seconded and the motion carried.

Commissioner Tubbs made the motion to deny indigent case # 2014-10-10008 due to non cooperation and an incomplete application.

Commissioner Daniels seconded and the motion carried.

Commissioner Tubbs made the motion to approve one ag building permit for Greg Lamb.

Commissioner Daniels seconded and the motion carried.

Commissioner Tubbs made the motion to adjourn the meeting.
